WEBSITE DEMO- HOME PAGE

Features:

- **Navbar in Header**
- **Links in footer**
connects to my professional accounts
- **Animation upon hovering**

ABOUT ME :

- Features:
- Responsiveness
- Link to download the resume

The image displays three responsive web page layouts for an 'About Me' section, likely from a resume or portfolio site. The top navigation bar includes links for HOME, ABOUT, BLOG, and CONTACT, along with a logo icon.

Mobile Layout:

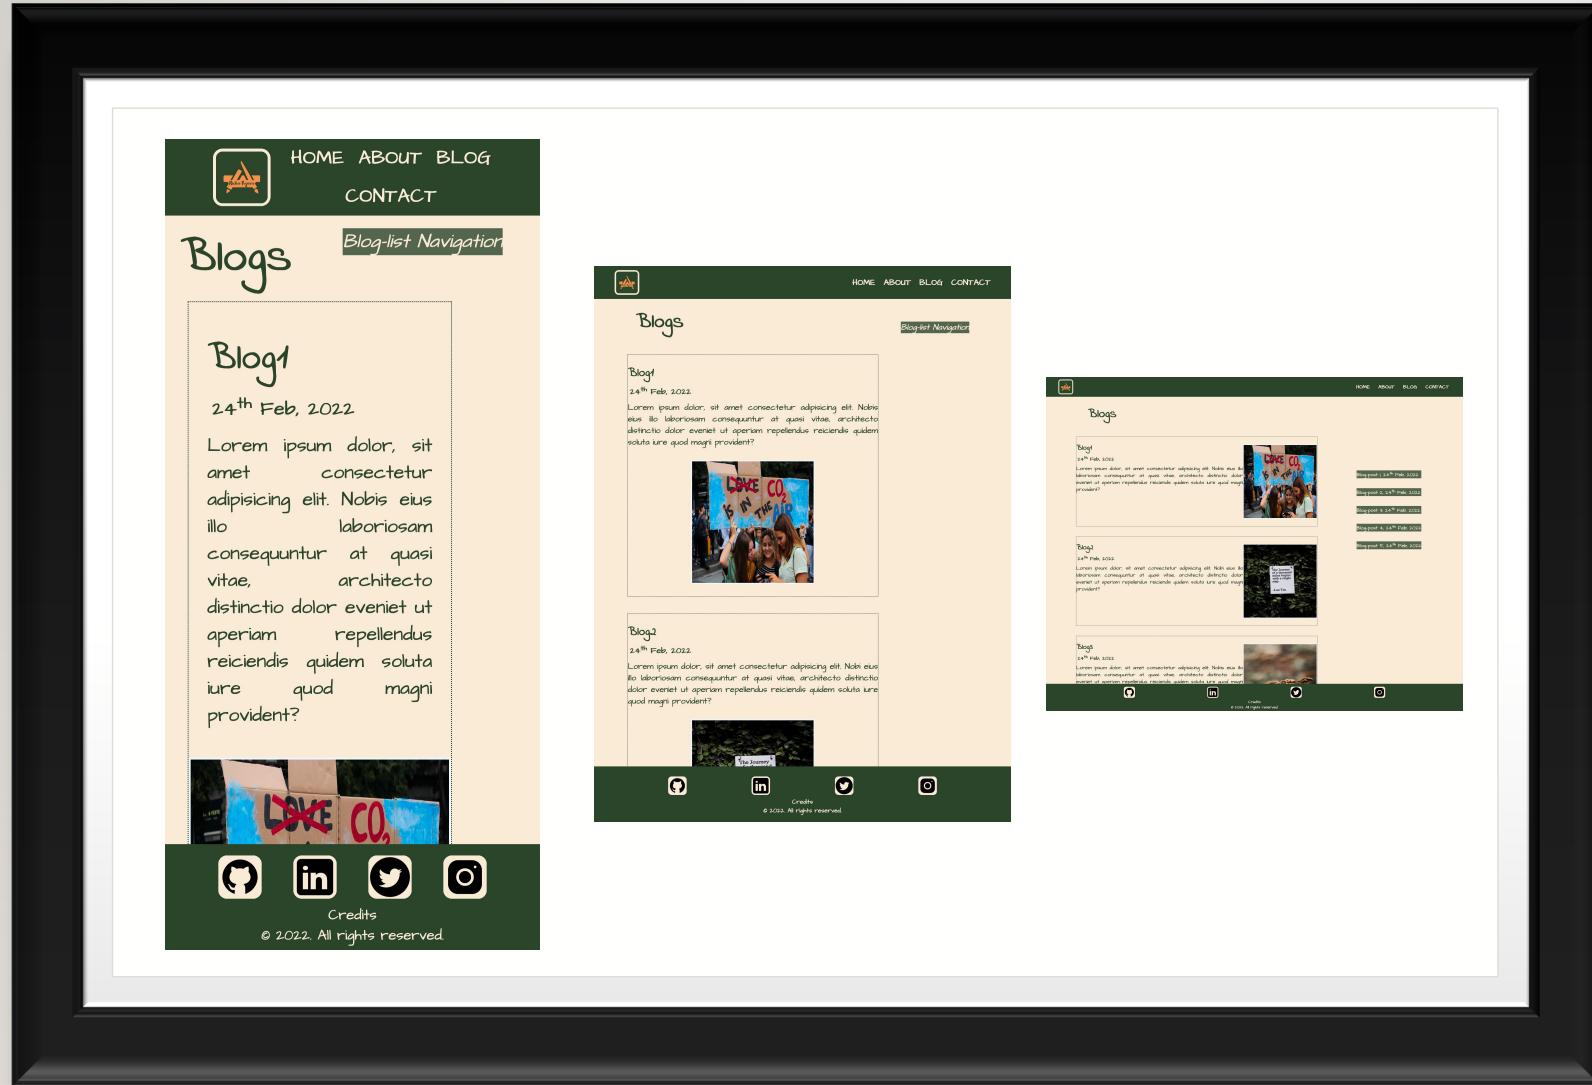

- About Me**: The title is centered above a circular profile picture of Richa.
- Text:** "Hi, I'm Richa, an aspiring Full Stack Developer. I am currently a student of Coder Academy Bootcamp and I will graduate in July 2022. I will be skilled in HTML, CSS, Ruby, SQL, JavaScript, React. I will have completed few projects to have a little hands on experience. Along with coding, I love gardening."
- Social Links:** GitHub, LinkedIn, Twitter, Instagram.
- Credits:** © 2022. All rights reserved.

Tablet Layout:

- About Me**: The title is centered above a circular profile picture of Richa.
- Text:** "Hi, I'm Richa, an aspiring Full Stack Developer. I am currently a student of Coder Academy Bootcamp and I will graduate in July 2022. I will be skilled in HTML, CSS, Ruby, SQL, JavaScript, React. I will have completed few projects to have a little hands on experience. Along with coding, I love gardening."
- Education:** Diploma of IT (AIT, CoderAcademy Bootcamp, 2021 - current); Master of Science (AIRBAS, India, 2006 - 2008).
- Experience:** Volunteer (Tutor, Institute XYZ, Corp, 2020 - current); Intern (Intern, XYZ Corp, 2022 - current).
- Skills:** HTML5, CSS3, RAILS.
- Education:** Diploma of IT (AIT, CoderAcademy Bootcamp, 2021 - current); Master of Science (AIRBAS, India, 2006 - 2008).
- Experience:** Volunteer (Tutor, Institute XYZ, Corp, 2020 - current); Intern (Intern, XYZ Corp, 2022 - current).
- Skills:** HTML5, CSS3, RAILS.

Desktop Layout:

- About Me**: The title is centered above a circular profile picture of Richa.
- Text:** "Hi, I'm Richa, an aspiring Full Stack Developer. I am currently a student of Coder Academy Bootcamp and I will graduate in July 2022. I will be skilled in HTML, CSS, Ruby, SQL, JavaScript, React. I will have completed few projects to have a little hands on experience. Along with coding, I love gardening."
- Education:** Diploma of IT (AIT, CoderAcademy Bootcamp, 2021 - current); Master of Science (AIRBAS, India, 2006 - 2008).
- Experience:** Volunteer (Tutor, Institute XYZ, Corp, 2020 - current); Intern (Intern, XYZ Corp, 2022 - current).
- Skills:** HTML5, CSS3, RAILS.

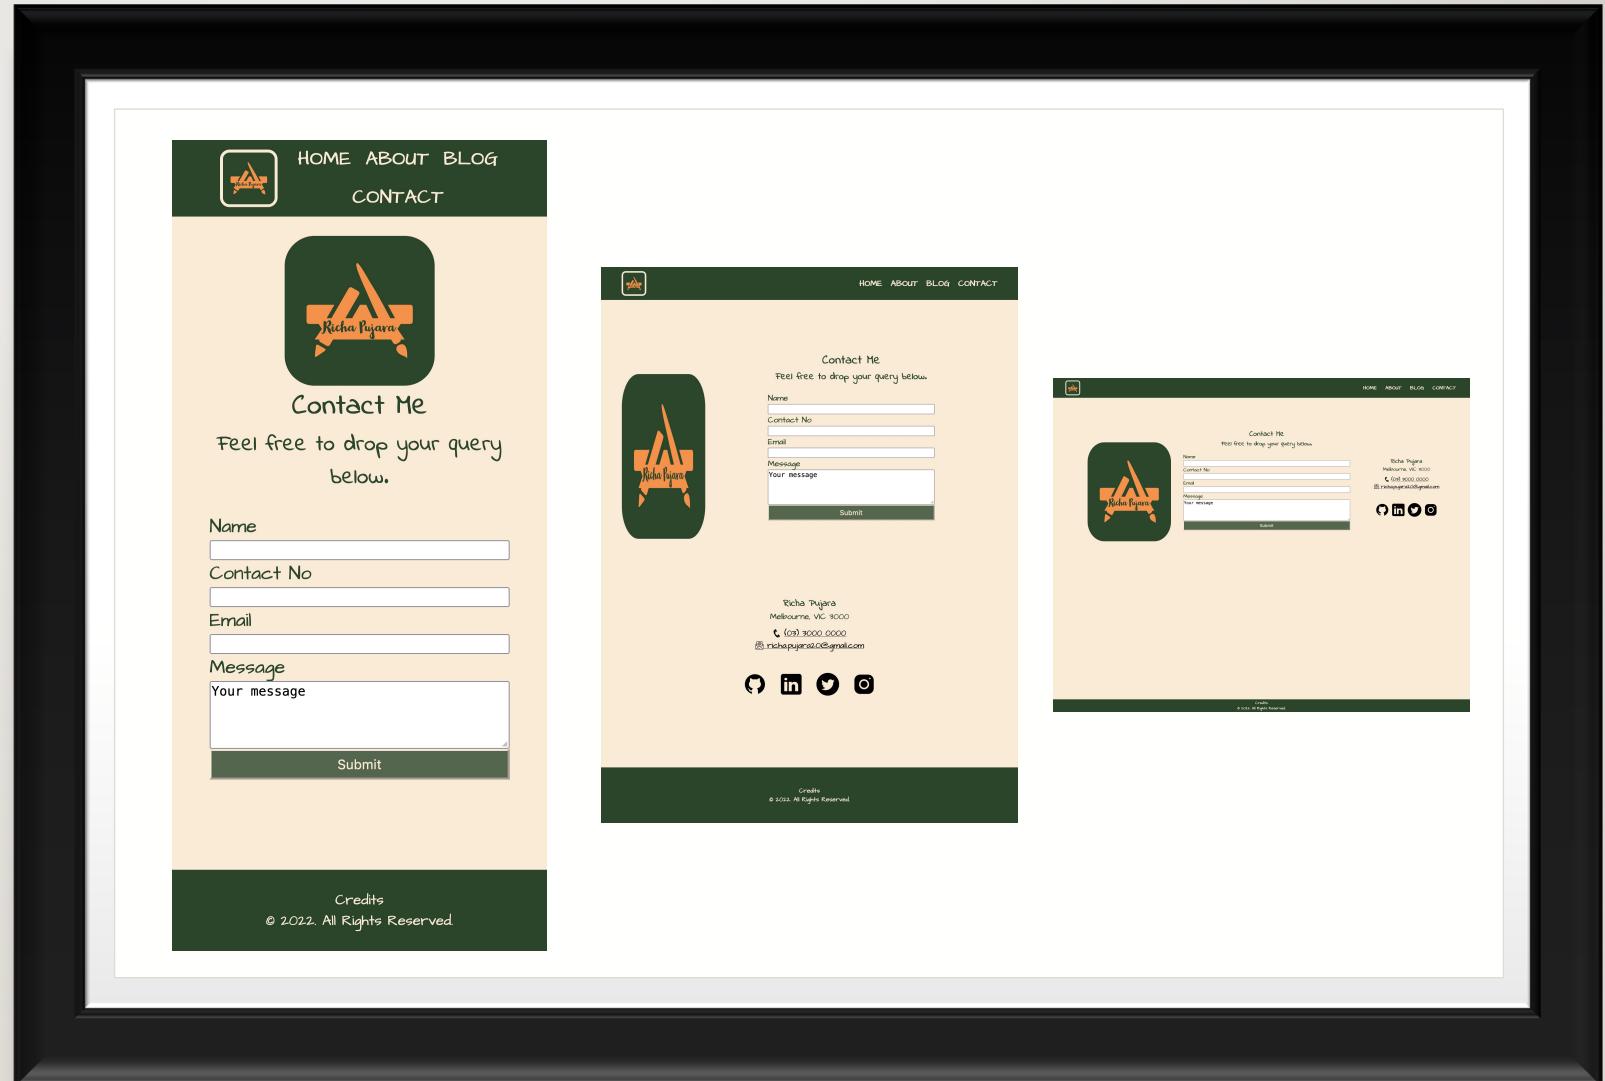

BLOGS :

- Features:
- Dropdown blog Navigation bar in tablet and mobile view
- Static block Nav bar
- Footer **credits** link

CONTACT :

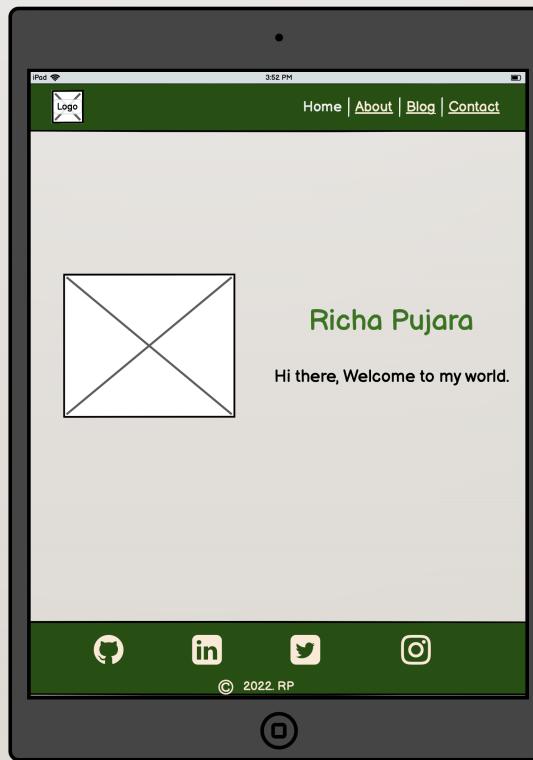

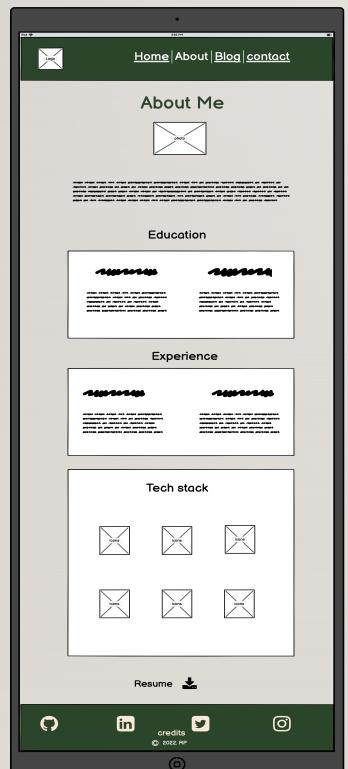

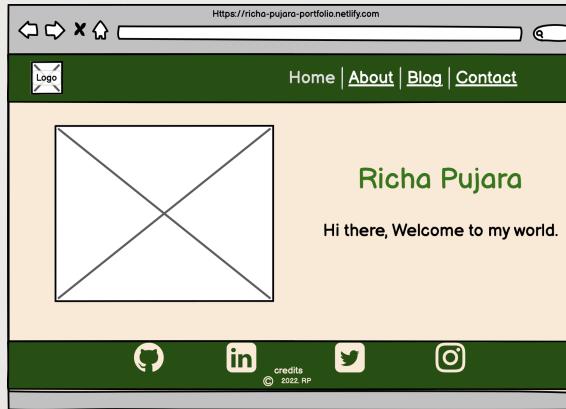

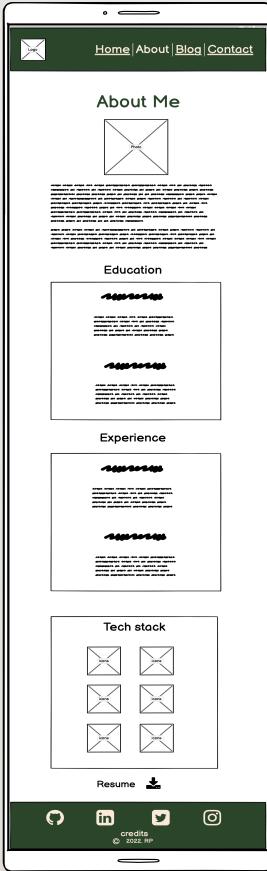

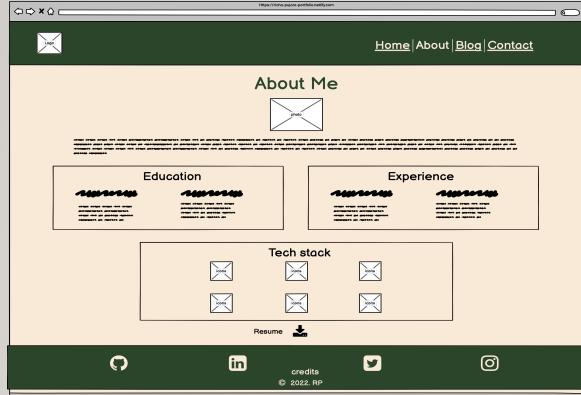

Features:

- Form
- Email and phone links
- Professional accounts link

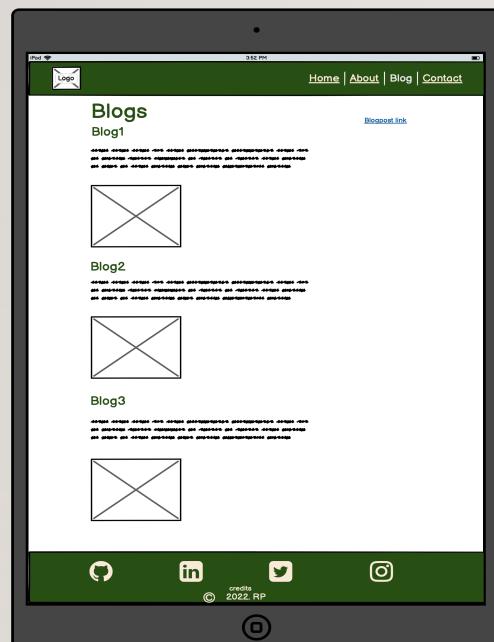

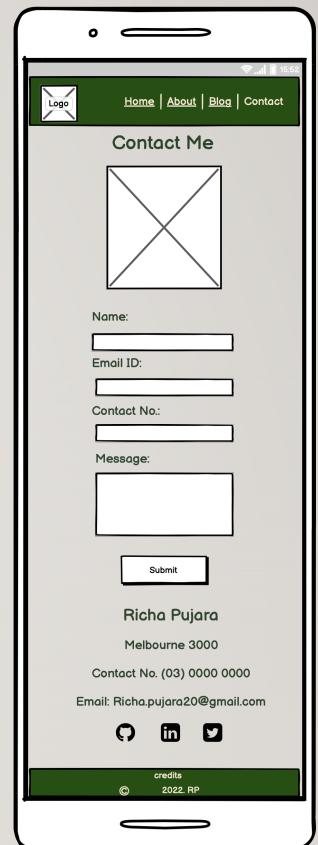

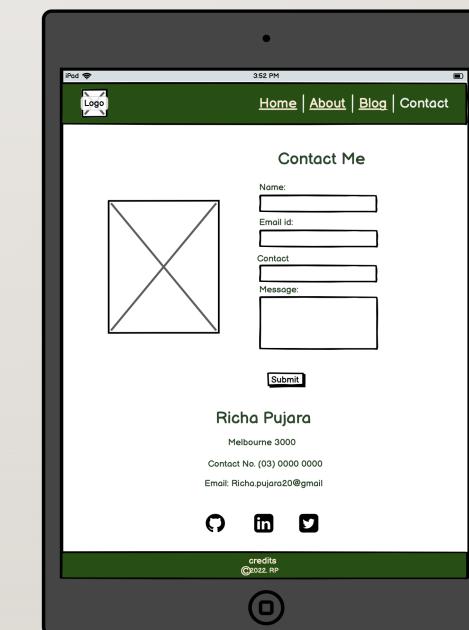

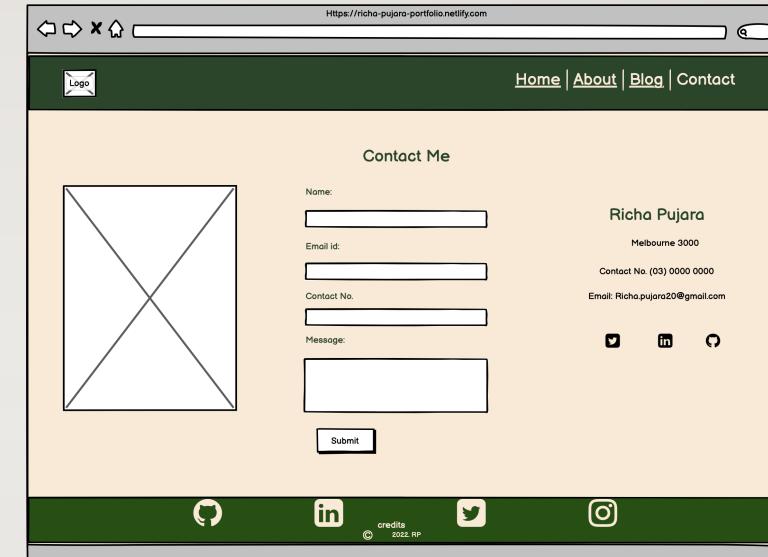

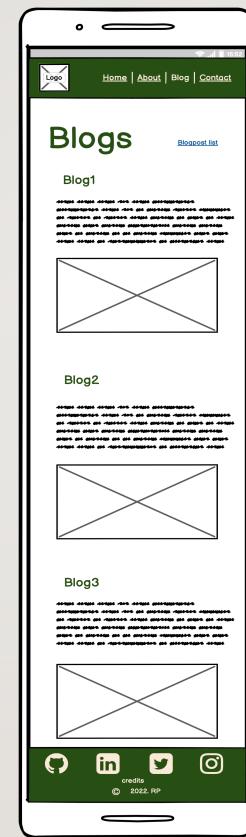

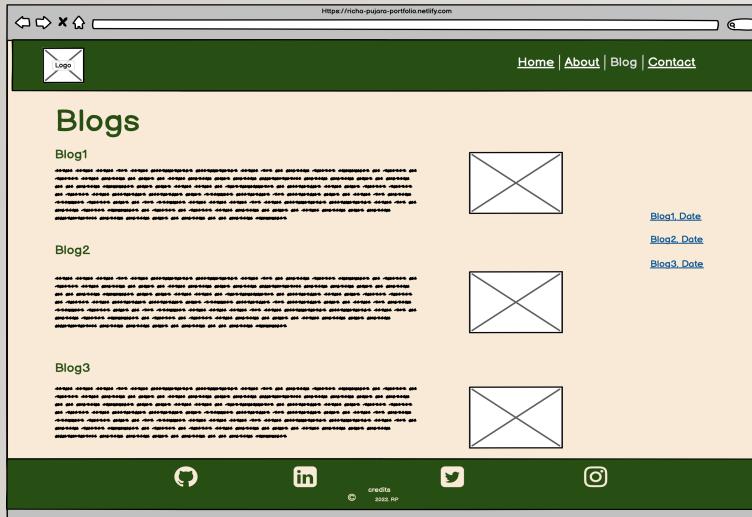

BEHIND THE SCENES

- Technology used: HTML and CSS
- Decision making process
 - Simple design
 - Use of different semantic elements
 - More focus on functionality
- Wireframes

WIREFRAMES:

CHALLENGES

- Browser rendering
- Wavering mind about the designs
- Git branches

LEARNINGS

Do not hesitate to ask for help.

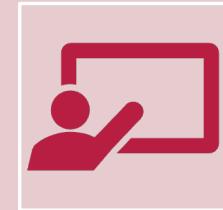

Responsiveness of the website

Dabbling hands in animations

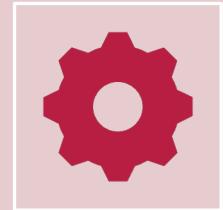

NEXT STEPS
